

MASARAK — Supporting Screens

Shared and supporting screens outside the three role flows: errors, loading, offline, sheets, empty forms and task status variants.

Screen inventory 23 screens

Overview of the unique screens required for implementation. Shared screens are counted once, while sheets and dialogs are listed separately.

Shared / Common	8	Student	6	Field Supervisor	4	Academic Supervisor	5
1 SplashScreen		1 StudentHomeScreen		1 FieldSupervisorHomeScreen		1 AcademicSupervisorHomeScreen	
2 WelcomeScreen		2 TasksScreen		2 TraineesScreen		2 StudentsScreen
